Top 05 FAQ's

Helpful Answers

Where we address common queries about our college and its offerings. Below, you'll find answers to the most frequently asked questions about admissions, programs, financial aid, campus life, and more. If you can't find the information you're looking for, feel free to contact us for further assistance.

- What programs and courses do you offer? +
- What campus facilities and resources are available for students? +
- How can I get involved in extracurricular activities or student organizations? +
- What support services are available for students, such as academic advising or counseling? -

Students have access to a range of support services, including academic advising for course selection and counseling services for personal and academic support. Additionally, counseling services are available to provide support for personal, emotional, and mental health concerns, offering individual counseling sessions, workshops, and resources to help students thrive both academically and personally.
- Are there opportunities for internships, research, or study abroad programs? +
